GOLF COURSE JEZERA

The 9-hole golf course Jezera in Ostrožská Nová Ves is part of the Golf club Uherské Hradiště. It was founded in 2006 and it is situated near Bílé Karpaty mountain range close to the Buchlov castle. The total length of the course from white tees 6000 m is comparable to 18-hole golf courses. Because of its elevation relative to sea level and its geographical position the golf course enjoys a particularly long season. This beautiful golf course was designed by the architect Jiří Metela who ensured that every green is different. There are one, two and also three level greens.
